

UpToDate MobileComplete[™]

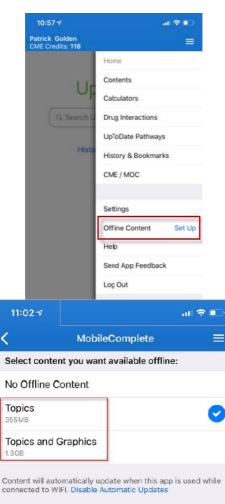

Search the complete UpToDate database of evidence-based recommendations from anywhere - even without a Wi-Fi or network connection.

Get full UpToDate content including more than 12,300 clinical topics, 9,700 graded recommendations and 7,300 unique drug monographs without an internet connection.

- Access UpToDate content without Wi-Fi or an internet connection
- View mobile optimized content, including calculators
- Earn CME for each clinical question researched
- Download content updates when connected to the internet

Set up UpToDate MobileComplete:

- 1. Go to the app store on your device (Android or Apple)
- 2. Search for UpToDate and download the app
- 3. Open the app and log in with your UpToDate credentials
 - a. If you don't already have an account, register while accessing UpToDate on the DHA network or while logged in through your OpenAthens remote access account (see next page for instructions).
- 4. Select "Offline Content" on the home screen
- 5. Choose "Topics" or "Topics and Graphics" to install content on your device

<

With UpToDate MobileComplete you get consistent and reliable access to UpToDate content whenever, wherever you are.

To maintain uninterrupted access to UpToDate Anywhere, you must re-verify your affiliation with your hospital or organization once every 180 days.

Re-verify by accessing UpToDate while on the DHA network or while logged in through OpenAthens. Then log into your personal UpToDate account. Confirm you are logged into your personal account by locating your name in the upper right-hand corner of the UpToDate screen. This will automatically re-verify your affiliation.

Please note: In-application & email messaging will inform you of the need to verify affiliation if you have not done so by day 170. You will receive a second alert at day 180. If you fail to re-verify by day 180, you will lose mobile and remote access. To regain access, please complete the re-verification process outlined in steps 1 or 2.
